=====

Perfect for fans of Adam Silvera and Becky Albertalli, this book will rip your heart out before showing you how to heal from tragedy and celebrate life in the process.

When Liam Cooper's older brother Ethan is killed in a hit-and-run, Liam has to not only learn to face the world without one of the people he loved the most, but also face the fading relationship with his two best friends.

Feeling more alone and isolated than ever, Liam finds themselves sharing time with Marcus, Ethan's best friend, and through Marcus, Liam finds the one person that seems to know exactly what they're going through, for the better, and the worse.

This book is about grief. But it's also about why we live. Why we have to keep moving on, and why we should.
