This portrait of marriage explores the long union of a middle-aged couple as they grapple with secrets, illness, and loyalty.

Pete and Jackie were high school sweethearts. Everyone expected them to marry immediately but an explosive incident tore them apart before graduation. It took years for the two to heal and finally come back together. Now, decades later, they face an uncertain future with their only child out on her own and alarming news about Jackie's health.

Determined to stay positive, the two travel to their Cape hometown for a book signing of Pete's debut novel. But when a disastrous encounter in the bookstore with an old classmate brings their long relationship to the breaking point, they are forced to examine their marriage and explore their deepest feelings.
