=====
Set in a world on the edge of an apocryphal flood, this heart-stoppingly romantic fantasy debut is perfect for fans of Rachel Hartman and Rae Carson.

In a world bound for an epic flood, only a chosen few are guaranteed safe passage into the new world once the waters recede. The Kostrovian royal court will be saved, of course, along with their guards. But the fate of the court's Royal Flyers, a lauded fleet of aerial silk performers, is less certain. Hell-bent on survival, Principal Flyer, Natasha Koskinen, will do anything to save the Flyers, who are the only family she's ever known. Even if "anything" means molding herself into the type of girl who could be courted by Prince Nikolai. But unbeknownst to Natasha, her newest recruit, Ella Neves, is driven less by her desire to survive the floods than her thirst for revenge. And Ella's mission could put everything Natasha has worked for in peril.

As the oceans rise, so too does an undeniable spark between the two flyers. With the end of the world looming, and dark secrets about the Kostrovian court coming to light, Ella and Natasha can either give in to despair . . . or find a new reason to live.
