Maine game warden Mike Bowditch finds himself in a life-or-death chase in this new thriller in the bestselling mystery series by Edgar Award nominee Paul Doiron.

Maine game warden Mike Bowditch is fighting for his life. Ambushed on a darkened winter road, he plunges his Jeep into a frozen river and must escape drowning beneath the ice. Surviving the crash is only the first challenge he faces in a nightlong battle to stay alive and one step ahead of his unknown, heavily armed pursuers. To outwit them and return to his friends and family, none of whom knows where he is, Bowditch must dissect the hours leading up to the ambush and solve two riddles: who are these people who desperately want him dead and what has he done to incur their wrath?
